SEA SQUIRTS

Sea Squirts is a unique program designed for children 2-5 years old. This fun, interactive program involves puppet shows, arts and crafts, story time and lessons all based on a Marine Science theme.

HOME SCHOOL DAYS

Home School Days are designed for group and family home schoolers and are offered throughout the year.

S.E.A.

Science Enrichment in the Afternoon

The Marine Discovery Center is excited to offer an after school program beginning in 2009. Our after school program will assist students with homework and offer a variety of science-based lessons. Recreational opportunities will include shoreline studies and boat explorations.

CAMP PROGRAMS

MDC Camp Programs expand the educational opportunities with a more in depth exploration of the Indian River Lagoon Estuary. From 2 to 5 days, our camps are among our most popular programs and can be utilized by classroom teachers as well as the individual student.

NOTE...

MDC educational programs and curricula are supported by the Volusia County School Board and encompass Sunshine State and FCAT standards. Please see our website for specific standards correlated to our programs. We are a 501(c)(3) non-profit educational facility.
