

Beach Clean Up

November 28th 3:30 – 5:30

304211 Oriole Ave parking lot Port Orange, FL 32127

ShORE 2018 will feature key note speaker Dr. Marcus Eriksen, acclaimed author and scientist. He is the co-founder of the 5 Gyres Institute and studies the global distribution and ecological impacts of plastic marine pollution.

Dr. Eriksen will be in town recording data on trash gathered from the beach and to assist we will be hosting a large beach clean up! We will be using the Litterati app to collect information on trash picked up from our beaches, so be sure to bring your smart phone!

LITTERATI

Gloves, trash bags, and water will be provided.
